Which of the following is the type of research that helps to find the magnitude of the issue as well as its solutions?

Select the correct option

- Basic research
  - Field research
  - Causal research
  - Applied research
- RIZ MUGHAL*
- R*

Question # 2 of 10 ( Start time: 08:12:59 AM, 20 May 2021 )

According to scientific method, which of the following is Not an empirical reality?

Select the correct option

- Emotions
  - God's reward for good deeds
  - Satisfaction
  - None of the given options
- RIZ MUGHAL*
- R*

STA630:Quiz#01

Question # 7 of 10 ( Start time: 08:14:23 AM, 20 May 2021 )

The literature review that the researcher writes becomes the:

Select the correct option

- Analytical framework for the research project
- Methodological framework for the research project
- Theoretical framework for the research project
- Conceptual framework for the research project
