Due Date: 31<sup>st</sup> of December 2025

Total Marks: 35

## Cs101 , Cs430 , IT430

### Assignment 2 solution available

### Digiskills assignment 1 part(2) solution available

Dear Student,

Virtual University of Pakistan is pleased to offer you an opportunity to acquire in-demand technical skills through a comprehensive assignment designed to prepare you for Freelance marketplaces prior to the completion of your degree program. This initiative will enable you to learn, enhance your capabilities, and explore new professional avenues during your studies, potentially allowing you to **begin earning even before graduation**.

As part of **CS101 (Introduction to Computing)** Course, you will be required to complete a **mandatory Assignments which consists of two parts:**

1. **Assignment 1** – Registration on DigiSkills Portal & Enrollment in Digital Literacy Course.
2. **Assignment 2** – Share screenshot of Digital Literacy Course.

These assignments involve registering on the **DigiSkills Training Program** portal, enrolling in **[DSTP Digital Literacy]**, and successfully progressing/completing the enrolled course.

The assignment components are outlined as follows:

Assignment Parts	Assignment Task	Marks	Deadline
<b>Assignment 1</b>	Registering on DigiSkills Portal & Enrollment in [DSTP Digital Literacy Course] on DigiSkills LMS	<b>15</b>	7 December 2025
<b>Assignment 2</b>	Take Screenshot of course progress from DigiSkills LMS and Upload progress screenshot on VU LMS	<b>35</b>	31 December 2025
<b>Total Assignment Marks</b>		<b>50</b>	

#### Instructions for Part II (Assignment 2)

**Note: Completion of Part I is mandatory, otherwise you will not be able to complete Part II and will lose marks of both assignments.**

**Paid contact: 03445730800**

When **DigiSkills Batch-02** commences (start of classes) on **8 December 2025**, **log in** to your **DigiSkills LMS** and begin your course by selecting the course title and viewing the topic videos. As you progress, you are required to attempt the course **quizzes** and complete the **Hands-on Exercises** according to the schedule provided in the DigiSkills LMS course calendar.

**Video Tutorial for Part II:** A detailed orientation video explaining how to navigate and use the DigiSkills LMS is available at the following link:

<https://youtu.be/2c8Lpc21H3c?si=KIW6XLDiTndB8veG>

### Requirement for Part II of the Assignment

Between **27- 31 December 2025:**

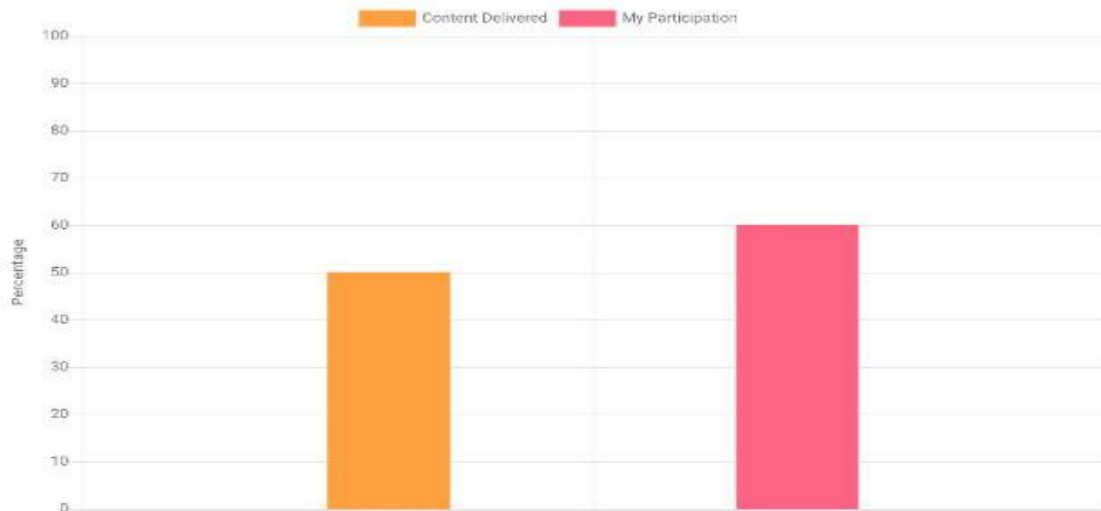

- Log in to the DigiSkills LMS and select the **“Progress Timeline”** option under the **“Trainee Services”** section.
- Take a **screenshot** of the page and **upload the progress screenshot to the assignment tab on your VU LMS.**
