i

Schematic diagram

**To say that a theory is falsifiable is to say that;
Select correct option:**

It is based on results that are not replicable.

Investigators have replaced it with a simpler or more accurate theory.

We can imagine results that would contradict it.

It is so vague that it fits any and all possible results.

**Which of the following is Not a part of research design?
Select correct option:**

Data collection technique

Tool of data collection

Objectives of the study

YUSA SHAMI
