Dr. Iqbal Arain

**Narration**

Use narration to establish a series of events that tells the reader what happened. **Narration follows a chronological pattern of development.** It is a convincing mode of paragraph development to the extent that it tells a coherent story. This pattern or time line is usually very easy to understand.

In the following narrative, the first narrative paragraph is followed by two descriptive paragraphs. Note the use of transitional words such as thereafter, first, next, and after.
