

today ppr psy516 at 10am

1. mcqs zda tr ANOVA wla toipc m sa th
2. assumption of independence Anova
3. define partial correlation
4. regression wla toipc m sa ak question th
5. rule to make sample

or nhi yd 😊

null or interactive hypothesis wla b question th

Psy516

Mcqs files Mai say 2 ya 3 hi thy formuly thy mcqs Mai or last CHP Mai say kafi

- Enlist three degree of freedom
- Difference between herarical regression and step wise regression
- Write five assumption of two way ANOVA
- How would you calculate spearsmen correlation
- Pearson correlation
- Homogeneity of variance
- G power and calculating the sample size
